HISTORY

The Crime Awareness Coordinating Effort was developed after the death of a 10 year old girl in Kansas City Kansas. This tragic event create an uproar amongst many community leaders throughout the Kansas City Kansas area.

On Tuesday, October 27, 1998, a community forum was called by Friends of Yates, Inc. and the Baptist Minister's Union to bring together community leaders throughout the area. A consensus came from the group that Wyandotte County needed a community-based organization with a focus primarily on crime.

Shortly afterward, the first meeting of Crime Awareness Coordinating Effort (C.A.C.E) was held.

PURPOSE

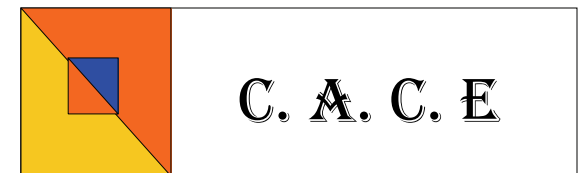

To research, develop, connect and implement crime intervention strategies, which focus on poor, depressed neighborhoods in Wyandotte county.

OBJECTIVES

- Develop partnerships with other organizations which have a common purpose.
- Provide awareness of existing services and programs related to crime.
- Explore the Gaps in services.
- Develop services and programs as needed.
- Serve as a vehicle for keeping the community informed.
- Provide a structure to allow accountability for crime reduction efforts.
